Ember / Local PDF

A stronger document engine. No PDF API. No Word conversion.

Publication-ready by default

This file was generated by the patched Ember application using its bundled local PDF engine. Text is selectable; fonts are embedded. **Clear hierarchy**, *readable typography*, and clickable links remain intact.

> *The PDF export itself does not upload document content. Existing chat and other online features are separate and unchanged.*

Ready checklist

- [x] Local rendering with no provider key
- [x] Embedded Roboto fonts and consistent page furniture
- [x] Repeating table headers and multi-page layout
- [x] File header and end-of-file validation
  - Nested checklist detail remains indented

Unicode coverage sample

Café — naïve résumé · Ελληνικά · Привет мир. Coverage depends on the bundled Roboto font; not every writing system or emoji is supported.

Local workflow example

```
const pdf = await EmberDeliverables.pdf(markdown, title);
// No fetch, API key, account or DOCX conversion.
```

Layout verification

Check	Method	Result
Boot	Real mobile and desktop browser	Visible, dismissible
PDF	Bundled pdfmake	Runs locally

Check	Method	Result
Offline	Cached app with network disabled	Export succeeds
Scope	Per-file SHA-256 comparison	Unrelated files preserved

Multipage reading sample

Section 1

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 2

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 3

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 4

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its

page, preserves a clear reading order and carries consistent headers and page numbers.

Section 5

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 6

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 7

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 8

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 9

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its

page, preserves a clear reading order and carries consistent headers and page numbers.

Section 10

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 11

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 12

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 13

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers.

Section 14

A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its page, preserves a clear reading order and carries consistent headers and page numbers. A robust PDF keeps text inside its

page, preserves a clear reading order and carries consistent headers and page numbers.
